

AWW: A Voice when YOU need it most

Who is AWW?

AWW provides an independant advocacy service for people with a mental health condition, including veterans and carers.

The advocacy service is free, confidential and independent of other services

What is an Advocate?

The role of the advocate is to help people communicate with an effective voice, enabling them to influence decisions that affect their lives.

An advocate acts with or on behalf of another person to establish or promote that person's rights.

Advocates can help people

Make informed choices

Access information

Talk to the service provider

Put their views across at care planning and other meetings

Uphold their rights

Make complaints
